

# TO SIGN UP FOR THE WOOD STOVE PROGRAM

## BEFORE YOU BEGIN, PLEASE NOTE

The application requires thorough and accurate information. We recommend setting aside at least 7 minutes to complete the form. Once you begin, you must finish the application or start over at a later time. While the application may seem lengthy, the information gathered will help clean up the air in our community. Thank you for your patience.

## WE RECOMMEND HAVING THE FOLLOWING INFORMATION AVAILABLE BEFORE STARTING THE APPLICATION

- Landlord contact information, if applicable
- Information about your dwelling, such as square footage, age, and type of home
- Information about your wood burning device, and approximate age
